PROFILE

To leverage my 3 years of experience as a WordPress developer to contribute to a dynamic team, where I can apply my technical skills in web development to deliver high-quality solutions and drive digital innovation.

WORK EXPERIENCE

Envision Technologies

2023(MAR) – 2025(JANUARY)

Mid-Level WordPress Developer

As a Mid-Level WordPress Developer at Envision Technologies, I focus on configuring and customizing WordPress sites, ensuring optimal functionality, security, and performance. My responsibilities include troubleshooting issues, optimizing site speed, and collaborating with team members to deliver user-friendly and responsive websites.

Ozbix Development House

2022(Jan) – 2023(Feb)

Junior Wordpress Developer

As a Junior WordPress Developer at Ozbix Development House, I developed and customized WordPress websites, ensuring responsive design and seamless plugin functionality. I also supported troubleshooting and site optimization efforts to enhance user experience and performance.
